Overview

This bill, if passed, would change the definition of “annual” or “annually” to mean during a family child care provider’s licensing term rather than the existing definition, “prior to or within the same month of the subsequent calendar year,” for the purposes of family child care training requirements.

Section

- 1 Annual or annually.** Amends § 245A.02, subd. 2b. Specifies that “annual” or “annually” for the purposes of section 245A.50 (family child care training requirements) means during a licensing term.
